## "BEAT THE CLOCK!"

**T**wenty-one homecomings have come and gone since Marlinton, Hillsboro, and Green Bank merged into one school—Pocahontas County High.

On October 12, our twenty-first annual Homecoming was held at 7 p.m. at Warrior Stadium.

The Warriors launched from the fieldhouse, through the spirit hoop with "We Just Can't Hide That Warrior Pride," as the Homecoming theme. Following them were their opponents, the Tygarts Valley Bulldogs.

Showing good defense, the Warriors held their ground in the first quarter, which ended with a tied score of zero.

In the second quarter the Bulldogs scored six.

Finally, the long-awaited halftime festivities began. As the band played "You Are So Beautiful,"

The Homecoming Court made their appearance, complete with umbrellas for the pouring rain. Freshman attendant and escort were Angela Maybright and Brian Robinson. Sophomore attendant was Amanda Irvine with escort Jamie Burke; juniors were

Dawnn McLaughlin and Michael Taylor, and Teresa Mick and J.P. Duncan represented the senior class.

Waiting anxiously were the Homecoming Queen candidates, Kelley Gordon, Jody Morgan, and Cynthia Burke, and the King candidates, P.C. Dean, Bill Carpenter, and Travis Workman.

At last, the crowning of the 1990 Homecoming King and Queen took place. Laura Grimes honored Cindi Burke and Bill Carpenter by stepping down from her reign as Homecoming Queen 1989.

During the third and fourth quarters the Bulldogs scored 13, while Richard Lane scored 6 points for the Warriors. The game ended with a score of 20-6, in favor of the Bulldogs.

Immediately following the game, the Homecoming Dance was held in the gymnasium, with DJ Jeff Hefner.

Current students and teachers, along with alumni, mingled, danced, and reminisced, making Homecoming 1990 an enjoyable and treasurable experience, despite the rain and the loss of the

# "Just Can't Hide That Warrior Pride!"

On "Little Boy, Little Girl Day" Mr. Wade will have students prove notes.

**L**et's Go, Warriors! We Just Can't Hide That Warrior Pride! This was the theme for this year's Spirit Week.

October 18-22 we elevated the spirit in the school. We had competition between the through dressing up or decorations. Unfortunately, the powderpuff game scheduled for afternoon had to be delayed because of rainy weather.

On Wednesday Mock Teacher Day, some members of the student body showed their spirit by dressing up as the teacher they thought was most unique. The senior class came out on top.

That night there was a bonfire and, despite the rainy weather, there was a great time! Each class prepared and presented a skit and yell. The cheerleaders performed a dance and kept the crowd

Thursday resembled kindergarten classes instead of high school, as the students kicked in "Little Boy, Little Girl Day." Many students participated, but the seniors, again, came out on top.

Friday was the big day! This was the last day for the other classes to catch up to the seniors. This day was Maroon and Gold — the Mighty Warrior colors! The seniors made a clean sweep by nearly everyone in their class dressing up! This led to the seniors' victory of Spirit Week. This was also the day for the door decorating to be judged, which the juniors won!

Later in the day, the cheerleaders held a pep-rally. They brought out the spirit of the crowd and psyched up the football guys. The classes at this time joined together as one and cheered on the Warriors.

**D**avid Stewart, freshman, is enjoying his lunch with Mr. Tupper—OOPS! That's Stephanie Ames, junior, showing off her school spirit during "Mock Teacher Day."

# ONE EP AHEAD FOR STYLE

**T**his was the year for earth tones and bright colors. Those who dared to be different wore rolled-up baggy beach pants. A new fad was baggy silky slacks with slits up the legs.

T-shirts were popular, as always. They were mainly from three categories - skateboarding, "You Can't Touch This!" and Bart Simpson's "Don't Have a Cow, Man!"

Sweaters were composed of earth-toned cardigans and bright, bold-colored sweaters with fringe.

For shoes, the hot brands seemed to be the Reebok pumps, Nike Air, L.A. Gear, Daxler, British Knights, Vionon, Street Wear, Magic Johnson, and the original Chipewas.

Hair styles varied, with most girls having short cuts, while guys' styles ranged from very short cuts to ponytails!

**F**reshman Kim Farmer is happy as she adds the finishing touches to her fashionable cardigan and Reeboks.

Junior Brad Dutz signals to be relaxed as he models his comfortable dress slacks and two-toned sneakers.

### Hidden Courage

A cool morning breeze casts a chill on the young guard. His eyes shift back and forth, greedily across the murky skyline where ominous clouds float untroubled by the brewing storm of war.

There is a gleam in his eyes.  
A sign of the hidden courage  
which helps him face  
the lonely expanses of desert  
and the unseen foes lying within them.

Yet he knows there is no glory in war  
only death and duty  
But he accepts this terrible price of freedom  
A consequence which lays  
unrelenting in the back of his mind

He suppresses the extraneous thoughts and buries them deep inside, leaving only a disciplined mind concentrating on the rigorous work of war.

But each night, as he lies alone and silent in the midnight darkness of his tent, he prays - a somber prayer for the family he left tearfully behind.

And as he sleeps, the fleeting  
phantoms of night come  
Mixing his restless mind  
Pacifying his lonesome soul  
comforting his aching heart,  
and for one brief moment, there is peace.

— Linda Alderman

The actors, stage crew, and directors had to make sacrifices. Week after week, every day after school was a hustle and bustle of trying to remember lines, movements, and cues. This was a continuous cycle that went for four months. The most difficult sacrifice for some was the choice between volleyball, foot-

Of course the play could not have been possible without all of the help that was so graciously volunteered. Financial support came from the Pocatontas County Arts and Humanities. The stage wiring was done by the Electricity class, the carpentry class constructed the set, and the art department furnished posters. Advertisement came from WVMA. Parents helped with everything from costume-making to furnishing furniture for the set. The teachers also helped by cooperating with the students' hectic schedules. When the curtain did rise, the efforts paid off.

## TIME TO ASSEMBLE

**T**his year the Pocahontas County Arts and Humanities Council sponsored several assemblies.

The Percussion Section of the W.V.U. Band demonstrated many instruments and performed various types of music for the students at P.C.H.S.

The Alderson-Broadus Show Choir traveled to P.C.H.S. to display unique talent in singing and dancing.

Theatre West Virginia, a drama group from outside

of Charleston, entertained the students with "Dr. Jekyll and Mr. Hyde," a play written by Edgar Allen Poe.

"The Magic Drum," a Japanese NOH Drama, performed by Trillium Production from Lewisburg, changed the school atmosphere with a variety of dance through the work of mask.

And, finally, the Senior Class prevailed over the Sadie Hawkins Day Competition.

Performing in the play "Dr. Jekyll and Mr. Hyde" are Theatre West Virginia students.

The Alderson-Broadus Show Choir's "Ten Little Indians" & "Ragtime" were the highlight of the assembly.

**T**he Junior/Senior Prom of 1991 was a special and memorable occasion in the lives of everyone attending. The entire day was filled with rushing, "prim-ping," and excitement before the prom was on its way.

"If Wishes Came True" was the theme for the prom, which was held at Silver Creek, giving the attendees a positive outlook on the night. The setting consisted of balloon decorations with aqua, pink, and silver as the colors.

The evening began with a romantic dinner prepared by the chefs at the Resort. Junior class president Dana Cutlip and senior class president Matthew McKean welcomed

everyone with a few brief words.

Following dinner, everyone gathered on the dance floor for a fun-filled evening of music and excitement, accompanied by close friends, dates, and acquaintances.

A post-prom party was held after the dance with activities such as swimming, eating, miniature golf tournaments, dancing contests, and breakfast the following morning.

As the prom came to an end, everyone departed, weary and pleased that their wishes had indeed come true!

**M**atthew Taylor and Kelley Gordon seem to enjoy the honor of being Prom King and Queen.

**T**aking a break from the dancing, juniors Mark Grimes seem to be really happy about their title of junior prom kings.

# HAMMER TIME!

Come on, baby. Let's do the twist!

Everybody loved the dances, especially a new semi-formal, Christmas Ball. The

dance was sponsored by the Journalism class on December 7.

A lot of people enjoyed the dances after basketball games, par-

ticularly a winning game. These dances were held to raise money for different classes and organizations.

**H**elp! The Instructional Resource Center offers supportive services to students who require extra help in vocational and academically related work. Mrs. Linda Beverage, Instructional Resource Center Coordinator, has been teaching at PCHS for 14 years. She also teaches adult courses.

Services offered through the learning center include diagnoses of reading and math levels, which could lead to planning and administering a remedial program to suit the individual's need. The learning center also assists vocational and classroom instructors when modification of instructional materials or tests is needed. It offers tutoring for individuals and small groups when needed upon advisement from the classroom teacher.

The Instructional Center also provides pre- and post-testing, materials, and instruction for those students who wish to work on a GED.

The center and its materials are available to the students and teachers throughout the school day.

Mrs. Sue Shupe teaches Alternative Learning. This was developed to help students who have dropped out of school and returned and for those who aren't doing well in regular classes. Mrs. Shupe teaches employee ability skills and required classes for graduation.

Sportsmanship plays a big part in any activity. Both of our gym teachers teach this. Mr. Mike Wilburn teaches two physical education classes, one advanced class, and three health classes. Mrs. Reta Rose stays quite busy by teaching five physical educa-

tion classes and one health class.

They both teach a variety of sports, ranging from basketball to gymnastics. The students get a taste of many different activities.

Freshman Chad Peck works hard on finishing the green paper lab in Biology class, while sophomore Jamie Burke seems to have something else on his mind.

# MATH + SCIENCE = TIME + EFFORT

**"Good Grief!"** What's the matter? "Every day it's almost impossible to get past all the people coming and going in the math wing. Why?"

It's easy to explain. There were 356 math students. Those students and the three math instructors busy teaching seven math courses - classes in seven levels of Algebra, Geometry, Pre-Calculus, Consumer

Math, and Tutorial Math.

Mrs. McGee was head of the math department, with Mr. Tupper and Mr. Lambert following in her footsteps.

"Ooh, yuck! What is that horrid smell?" "It's probably formaldehyde from the Biology classes. They're dissecting frogs today!"

Mrs. Sharpes kept everything in order for Mrs. Burns and newcomer Ms. Westfall. Ms. Westfall taught five

Physical Science classes and one Biology while Mrs. Sharpes taught the remaining Biology classes and a Science Seminar class. Mrs. Burns taught Chemistry, A.P. Chemistry, Honors Physical Science, and Physics.

For those interested in nature, medicine, and other science-related careers, the science department was the place to be.

Students can find help for all courses in the library. The librarian, Ms. Blankenship, also teaches photography and develops film in the

# Time to Express Yourself

In her fifth year as our art teacher, Mrs. Leary teaches all her students the concepts of art. The beginning art students prepare themselves for advanced art classes by learning the history, language, criticism, and careers of art.

The advanced art students work at their own pace. Once every nine weeks they have to do a project set up by Mrs. Leary.

Mrs. Leary leaves our school every day at 1:30 to go to Green

Bank and teach the sixth, seventh, and eighth grade art classes.

Our English Department is also one that we take pride in. Our English teachers introduce the students to things they will need for their remaining school years and future development such as grammar, composition, and literature. Research is taught to freshmen, oral speech to sophomores, literature and composition for juniors, and English literature for seniors.

Melissa Mick, a senior in Mrs. Sevelstad's English class, said, "I am surprised at what I have learned in here." Almost everyone has the same opinion about their English class. We all know our teachers are good at their jobs.

Listening intently are Dana Culp and Dawn McLaughlin as Mr. Sheets drills them on English Literature.

"Third time's a charm!" Jackie Gibson, senior, reaches perfection as she draws these two yearbook pages for the third time.

In fourth period Journalism class, junior Dawn McLaughlin and senior Jeff Weber were caught joking around.

**T**he yearbook staff worked by side with the photographers to produce an interesting yearbook. The yearbook staff consisted of sixteen students and four photographers. Their responsibility was to record facts and fads for the school.

Our company representative traveled to PCHS on August 20 & 21 to instruct our staff on techniques of yearbook design. The staff managed to accomplish a great deal on those two days of summer vacation.

They made many changes in the yearbook, beginning with the cover.

We hope you enjoy it!

This yearbook staff, lead by editor Jody Morgan, advisor Mrs. Rhea and photography advisor Ms. Blankenship, worked very hard to produce the best book of memories possible.

Six more members were admitted to the French Honor Society during an immersion overnight held at the Marlinton Middle School. March was Foreign Language Month. The French students decorated

the walls and showcases took part in a poster test, while the Spanish students held a Spanish Feast for the P.C.H.S. and staff.

At the restaurant Chi Chi's in Roanoke, freshman Kevin shows off his plate.

On the Spanish trip, Jason Miller, Jerry R. Doyle, sophomore, and Scott Ray, freshman, enjoy their dinner at Chi Chi's in Roanoke.

At the French Honor Society overnight in Marlinton Middle School, freshman Joanna Burt-Kinderman and Matthew McKean, senior, toss salads for dinner.

At the French Honor Society overnight Dr. Michael makes the orange slices.

# Hard at Work!

**C**arpentry in our school is a very productive class for all of our students, not just the ones who take the class. Recently they have started building a

"Commons Area" for the student body.

The students who participate in this class learn how to use the "tools of the trade." They learn to measure

and construct from plans as well as from memory!

Carpentry is a class that can be used throughout life. The skills that are learned

can help in everyday functions and can also help in preparing for college.

or advantage is the experience you get from driving one day each week. Driver Education should be considered by everyone.

Radio Production is a new class offered at RCHS. It is taught by Mrs. Keller. The radio class has two purposes; one is to teach kids how to produce shows over our radio. Another is to inform the county on happenings at the High School. This is a good opportunity for students, and WYMR Radio appreciates the help.

What do you learn in Driver Education? You learn the skills of driving and special techniques of maneuvering a motor vehicle. There are many advantages to taking this course. One is that you can get an operator's license instead of juniors, and this means more points. Another

**A**minda Barts, junior, seems to be very interested in what Ken Jettison, Administrator in the Board Office, is saying during our Annual Career Day for sophomores and juniors.

**M**r. Harold presents senior Heather McQueen with a certificate for being the statistician for boys basketball. She also received the June Riley and Alice Waugh scholarships.

**S**enior Darrin McKenney receives a carpentry award from Mr. Taylor.

**M**r. Beverage presents junior Chris Coy with a certificate for parliamentary procedures in VICA.

# Time Pays Off!

**C**areer Day helps our students decide what kind of work they want to go into.

This year there were people from many different careers: Radiology, Health Care, Human Resources, Promotion, and Advertisement, not to mention the Armed Services recruiters.

recruiters.

During Awards Day, May 28, everyone that had accomplished exceptional achievement was awarded. This year's graduates that won scholarships were: Melissa Mick, Matthew McKean, Kelley Gordon, Heather McGee, Bill Carpenter,

John Rosa, Jody Morgan, Terra Owens, Juli Beckwith, and Jennifer Blankenship.

Students were recognized for excellence in academics, athletics, and vocational programs.

**T**alking to Blankenship about a career in Health and Human Resources is junior Missy Jordan.

**T**rying to convince her boyfriend, junior Tim Coughlin, that she is right about the career she has chosen is junior Lori Martin.

**J**uniors Jo Casteele and Rachel Broyles are interested in finding out that a business is a good thought for Career Day.

**M**ore than 100 students participated in the Career Day event, including students like Heather McGee and Bill Carpenter.

**S**enior Mark Mospan and junior Tim Nicely sharpen their computer skills during Accounting class.

**D**uring her Accounting class, senior Juli Beckwith works to finish her work before class is over.

**W**orking hard! Seniors Lori Sparks and Jenny Blankenship hurry to get their accounting finished.

# Give Me a Break!

Advancement in the business world largely depends upon the right start. As our country moves toward the twenty-first century, computers and business classes play an even larger role in high school education than before.

To start the computer classes off right, Typing I and Typ-

ing II come in handy. Speed when using computers gets the job done twice as fast.

The programming classes consist of Comal, Pascal, BASIC, and ADA. These are all taught by Dr. Leary.

Mrs. Rhea teaches Office Technology and Journalism along with Typing I and II. PCHS

also offers Accounting I and II, Word Processing I and II, and Introduction to Business. These are taught by Mrs. Stewart.

If you are planning to go into the computer or business world, high school classes are where you need to start.

Looking at her Accounting book, senior Tena Dunz seems to be a bit overwhelmed by what she sees.

During their computer class, sophomores Matt Buzzard and Jeremy Burks and senior Paul Beverage put the finishing touches on their work before turning it in.

In Dr. Leary's third period Comal class, sophomores Jenniler Sperry and Debbie Tinney work on a chapter exam.

# POCAHONTAS COUNTY HIGH SCHOOL NATURE TRAIL

**M**att Workman, who placed nationally in Forestry, shows Job Loudermilk, Larry Morgan, and Ray Hendricks how to measure the height of a tree, with the aid of Mr. Burns.

**C**oncentrating on his work, junior Eric Deen carefully measures his certification plates.

**T**he object of the game is to knock the opponent off the log with your stuffed pillowcase, and it seems that freshman John Duncan is doing a really good job at knocking sophomore Darren Galford off the log.

# Practice Makes Perfect!

Forestry is divided into two classes, I and II. Forestry I introduces the students to chain-sawing, bucking, land surveying, and many more important skills. Forestry II deals with a more detailed application of forestry and the actual on-the-job situation. Students learn how to cruise timber, scale logs, and write contracts. A certificate is granted if a student completes two years of forestry. On May 16, the forestry award is presented for the student body during the annual Forestry Field Day.

Welding is also divided into I and II. Welding I introduces skills and guidelines set by the state. Students learn shop safety and get practice in general welding professions. Welding II carries on from I. The students get more experience and prepare themselves for

Working on his certifying pipe test, senior Donald Oresthouse seems to be rethinking his steps to make sure he has done his job correctly.

Cutting certification plates for their certifying pipe test are Mike Blake and Dan Brubaker, sophomores.

**S**tripping wires to build a circuit for Intro. to Electricity class is junior Jay Clark.

# KABOOM!

No, the blue wire goes with the red wire ... KABOOM! Yes, it is Electricity class.

Mr. Beverage taught Electronics while Mr. Ziegler kept busy with the Electricity courses. Both areas offered three classes. Introduction followed by I and II.

This year Mr. Beverage's Electronics class moved and redesigned the speakers in the gymnasium and helped the school with any electrical problems. Mr. Ziegler's students worked on the wiring for the new science room and put new lights up in

the hallways. While these students think they are just passing time, they're really learning abilities for future goals.

Students prepared to compete in VICA Leadership and Skilled Olympics in the spring.

**B**uilding right circuits is serious business for Howard, Stacy Lambert, and Kevin McCarty

**M**asuring voltage and frequencies on an oscilloscope is junior Amy during Electronics

# Time to Prepare For The Future!

**H**ousing, Foods and Nutrition, Home Economics, Sewing, and Parenting and Child Development courses offered in the P.C.H.S. Home Economics Department. Home Economics is an integral part of each class.

The Faculty Tea, hosted by FHA, was a Christmas activity in which each Home Ec class participated.

The "egg-baby" project and the Field Trip for county kindergarten to P.C.H.S. were interesting projects of the Child

Development Class.

This year the Home Economics and Physical Education Departments cooperated to provide "Asset Training" to the freshman physical education students. Each student participated in the eight-week Social Skills Program led by Mrs. VanReenen.

Working hard to complete a project were the Vocational Agriculture students. The students put together a 1955 Chevrolet truck farm carry-all, built the volleyball standards, and worked on a greenhouse.

Future Farmers of America went to Morgantown in October for the Poultry, Forestry, Horticulture, and Plant Pathology contests. The students received four first-place trophies.

The winners went to Kansas City, Missouri, for the national FFA Convention. Our Forestry team won first place, with John Rose receiving first place individual in the nation! The teams were coached by Mr. Burns and Mr. Bland.

# Looking Forward!

The junior year of high school is a most demanding year. This is the time when students begin to plan their futures. They take tests for college and classes to help establish a career.

The junior class

proved to be an inspired class and will carry that inspiration into their senior year.

Trying to beat the ball, junior Rachel Irvine kept to finish her Aubrey 10 to record point.

# Leaders of Learning!

**O**ur faculty does an exceptional job. They each have their own unique way of teaching their subject.

We have 5 teachers with Bachelors degrees, 11 teachers with Bachelors degrees + 15 hours, 1 teacher with a Masters, 3 with Masters + 15, 15 with Masters + 30, and 2 with Doctorate degrees.

As we go through life, we learn to express ourselves with intelligence. This we have to thank our teachers for.

# TIME OUT

The 1990 football season began with two new coaches, head Coach Delmar Barb and offensive and defensive coach Jerry Burzard. Each tried his best to encourage the team to keep their spirits up and standards high.

Each football player had a job to do, putting forth effort needed to fulfill their goals.

Richard Lane, senior, led the team with the most touchdowns as well as the most rushing yards. Following him closely were Shawn

Bosley, sophomore, and Mark King, junior.

The year ended with a disappointing 9-10 record, but, even though their season wasn't highly successful, their team effort was appreciated.

Waiting impatiently for the outcome of the game vs Coach Barb.

"Get them!" The Warriors were getting ready to attack.

"Get away!" Richard Lane, senior, tries as he tries to score for the Warriors.

Junior Mike Thomas knells and watches the team during pre-game warm-ups, as teammates Billy Vandevender, Scott Garber, Jody Gragg, and Lee Worley discuss the game plan.

During the Homecoming football game, seniors Donald Greathouse and Rich and junior Randall Coleman use teamwork to fight against the Tygers Valley football team.

**S**wish! That's what you heard a lot at every varsity girls' basketball game. The girls ended the season with a total average of 56.4 points per game. They averaged 53% on the free throw line, which helped the team considerably. The ladies intimidated their opponents on

the court with an average of 16 steals a game.

The Lady Warriors ended their season with a 7 and 12 record. The girls were coached by Mrs. Shupe, who said she was "really proud of the girls and their accomplishments this year."

The Lady Warriors won the draw in the sectional tournament and played Greenbrier West, the winner of the first round at home. Unfortunately, the ladies were defeated by the Cavaliers. Chosen from Pocahontas to be on the All-Tournament team were Kelley Gordon and Teresa Mick.

Outstanding! That is one word that describes the Junior Varsity girls basketball season. They ended their season with a fantastic record of 13 and 1. And to top it all off, they won first place in the Elkins Invitational Tournament, with Jenni-

fer Moore and Jennifer Young being selected All Tournament Players and Jennifer Young being selected Most Valuable Player of the entire tournament! These freshmen look forward to next year's action! The Junior Varsity were

coached by Mrs. Kay Wiley. After her first year of coaching at P.C.H.S. she stated, "It was good to get back into the coaching profession again. I'm looking forward to many more winning seasons."

# PRIME TIME!

Fight, Fight, Fight! The 1990-91 Warrior basketball team had an outstanding season. Even though they had to replace four starters from the 1989-90 team, the players surprised the crowd with all the talent, enthusiasm, and teamwork displayed.

The Warriors won their first game against Nicholas Co. 79-

89 and continued to do a wonderful job by winning the Dick Gunnoe Tournament at Greenbrier East.

One of the greatest highlights of the Warriors' season was their overtime win against undefeated Webster Co. 63-62. While the Warriors were averaging 70 pts., they were holding their opponents to 66

pts. per game. In the New River Valley Conference-Double A, the Warriors had a 9-3 record, with an overall seasonal record of 14-8.

Some individual statistical highs were recorded by Rudy Gelis, 6' 8" center, averaging 16 pts., 13 rebounds, and shooting 58 percent from the floor. Bill Carpenter averaged 11 pts., 5 rebounds, and 5 assists. Brian Beverage averaged 13 pts. and shot 52 percent from the three-pt. line.

The season ended with a loss of 95-85 to Midland Trail at sectionals held at PCHS. The Warriors managed to pull within 3 pts., 84-81 with 1:09 to play, but were unable to overcome a 17-pt. half-time deficit.

1 game requires intensity. Senior captain Bill Carpenter displays this quality as one of his six rebounds in the Warriors' overtime win against Richwood.

Forty-inch arms means lots of rebounds, and 6' 8" center Rudy Gelis averaged 13 a game for the Warriors.

**W**e've got spirit! The Varsity Cheerleaders work hard to become the best.

The cheerleaders are made of spirit, enthusiasm, talent, and hard work. When August 1 rolls around, they start traveling to games to get ready for football season.

Warm, cold, rain, or shine, the cheerleaders were out every Friday night to cheer on the football team. Even though the season didn't go as well as

hoped, the guys did their best and the cheerleaders kept showing their spirit.

Football season was soon over, but basketball season was right around the corner. New cheers to learn and stunts to get together. This year's basketball season looked very promising! The cheerleaders showed their spirit with dances at half-time and impressive stunts during timeouts.

Basketball season was extremely hectic and chaotic, not

only for the players but also for the cheerleaders. In addition to practicing during the week, they had two and sometimes three games a week. Many times the cheerleaders, along with their sponsor, Ms. Kathy Westfall, would travel long distances and get home late.

The cheerleaders even practiced on Saturdays to be ready for competition on March 2.

There was a varsity and J.V. team. The varsity girls were 2 and 29 for the season, and

J.V. were 2 and 12, with one tie. The girls said they enjoyed the new sport and were glad that they finally got to have a volleyball team.

There were tryouts for a week. At the end of the week, a varsity and J. V. team were picked. Nobody was cut be-

cause Mrs. Bland was so led and proud of the enthusiasm shown by girls.

Everyone is now anxious for power volleyball and waiting for the next season to come. So missed this year's season sure to catch it next winter.

# SOUNDS OF THE TIME . . .

The PCHS Band started out the year in a very aggressive manner with Band Camp, which was held August 12-16 at the 4-H Camp in Thomwood. The band practiced long and hard on the music and field show for the upcoming school year.

The band performed at many home and a few away

football games. The band attended the Treasure Mountain Festival in Franklin and walked away with second place in the parade competition. In the Mountain State Forest Festival at Elkins they performed in the parade and field competition. The band received fourth place in both, and the majorettes received second in the parade.

The band and choir also performed their annual Christmas Concert for the parents and students. To enable the band to compete during the next school year, they went to the annual band ratings Buchannon in April. They were very successful in the ratings. We tip our hats to the 1990-1991 Warrior Band!

**M**embers of the 1990-1991 Warrior Band are: Drum Major: Jon J. Flow — Stephanie Gibson, Gary, Michelle Smith, P.J. Shaler, Lisa Verner, Teresa Nick, Dawn R. Gust, Tina Madison. Row 2 — Sharp, Sharon Moore, Jackie Gie Kim Deen, Jennifer Moore, Mar McKean, Charlie Cole, Harriet Mc Heather McGee, Kristi Miller. Row 3: Laura Payne, Felinda Burdette, Duncan, Jennifer Young. Row 5 — Gyr Broke, Lisa Howard, Dwight Kinn Martin McGree, Ben Ziegler, Jr. Lane, David Reed, Mike Layne, Rob McCutcheon, Teresa Tracy. Row 6: Michelle Beverage, Gera Adams, Bl. Burgess, Stacy Christ.

**T**he P.C.H.S. Choir performed their Christmas Concert for the student body. Members of the choir are: Tammy Butler, Donna Wiers, April Wanless, Heather Stank, Pam Jackson, Leanna Waugh, Julie Walton, Scarlett Sharp, Sus Gainer, Kevin Hickman, and Jan VanReenan.

Don't be deceived! Dawn Robinson, junior, is playing the guitar, not the piano!

**W**hile the senior portraits hit some of the seniors harder than others. For some the count down began as early as September 21. A lot of this year's seniors got their pictures taken out of school. One thing was certain: this class had different ideas and tastes.

Soon Cap and Gown pictures had to be taken. This event took place April 24 and just made the seniors more anxious for the first day to come.

On May 4, followed the '91's idea and prom back to Creek. It was a cess and a rable night for Yumi Yumi sponsoreheld a Luncheon on The lood was the company Graduation

and morning of May 30. After practice, some of the seniors loaded onto the bus and headed toward the Inn at Snowshoe for a fun-filled day with the friends they had made during their last four years.

Graduation was finally here! The prelude and processional were played by Mrs. Linda VanReenen. Next, Jennifer Blakenship gave the invocation. The address of welcome was given by Michelle Warner. Jody Morgan recited a poem. The song "Friends" was sung by Susan Gainer and April Wanless. Memories of the past four years were recalled by Kelley Gordon, Cynthia Burkholder, Heather McGee, and Julie Beckwith. Remarks from the Board of Education were delivered by Bruce McKean, and a Student Address was given by Matthew McKean. John Rose presented the class for diplomas. Finally the diplomas were given out by Mr. Vance and Mr. Wade. William Carpenter gave an address of Appreciation, and Harriet Moley gave the benediction. Then the parties began!

# TIME'S UP!

Another year of high school has passed, and while the seniors are working their way out into the "real world," the freshmen are just getting settled in.

Everybody has been told, at one time or another, to enjoy high school because it will be the best days of his or her life. When you're

just starting out, just finishing, or even if you're somewhere in the middle, it might be hard to realize that fact. If we all stopped and thought about it, we would realize that there is truth to those words.

**F**un! Fun! Fun! High School memories for the seniors include lasting relationships with their friends! Great times, lots of laughs, and memories that don't be forgotten!

**F**ighting the wind, freshman Makala Gurn tries to finish her drawing assignment at the Vapco Bank.

**E**verybody knows that the best time to enjoy a picnic is when the weather is just what you need. And when it comes to the best of it, and for a little while.

**N**o joke! Lori is out for the pool, she's cleaning up bottle.

**T**aking a break during their trip, sophomores Traci Douglas and Angie Coleman take advantage of the beautiful weather and soak up some rays.
